

JEAMBAR
U.S. National Phase of PCT/FI2004/000017

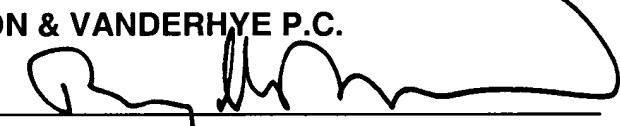

REMARKS

The above amendments are made to insert a cross reference to the PCT application upon which the instant U.S. national phase is based, to add an Abstract of the Disclosure and to eliminate multiple dependencies in the claims.

The specification and claims were amended during the international phase and the Amended Sheets were annexed to the International Preliminary Examination Report. Copies of these pages are included with the Transmittal Letter and it is requested that they be substituted in the published application for purposes of examination during the U.S. national phase.

Respectfully submitted,

NIXON & VANDERHYE P.C.
